WHO WE ARE

Reacquaint yourself with nature at the secluded and beautiful **Rainforest Boutique Camp**.

Winding paths loop through the site branching off in various directions, adding to its character. With forest in all sides, take off on foot in any direction and you'll soon be in their natural environment. Small mammals busy themselves as they go about their daily lives in the forest.

For a tranquil adventure and to experience one of the unique and most stunning forest camping experiences, book your next stay at **Rainforest Boutique Camp**.

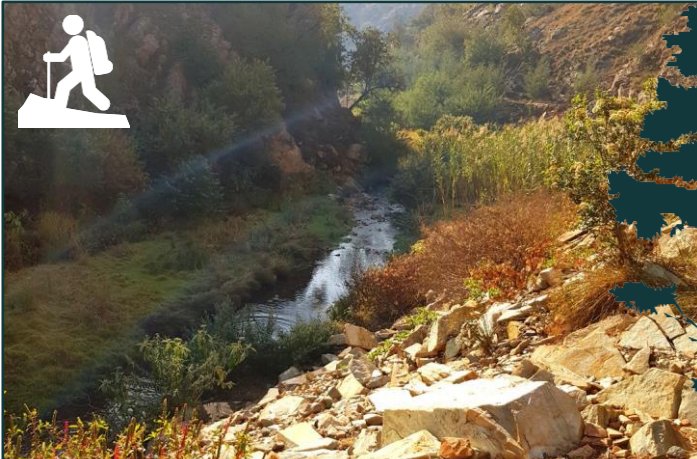

FACILITIES

Offering eco-camping with lessons on fauna and flora, water purifying skills and lots more. Stick bread making along the campfire and shelter building under the stars is sure to keep the young ones excited and adventurous. Inflatable obstacle courses, team building, bridge building, volley ball, kleilat is some of the few options which will make sure you will never be short of things to do.
